Karmo - Abuja

PERSONAL STATEMENT

An enthusiastic and detail-oriented Frontend Developer with proficient knowledge in HTML and CSS, as well as third-party libraries such as jQuery, Angular, and React. Seeking to utilize my technical skills and expertise to provide value to the employer and contribute to successful projects both today and in the future. Aiming to take on new challenges and utilize my coding and debugging skills for developing new features and enhance the overall user experience.

SKILLS

- ✚ Successfully integrated websites with powerful backend services such as databases, APIs, and other services
- ✚ Created multiple responsive websites for mobile and desktop devices using HTML and CSS, as well as third-party libraries such as jQuery, Angular and React
- ✚ Employed version control systems such as Git to collaborate on projects and manage code
- ✚ Translated designs from Photoshop to HTML and CSS while ensuring that the UX and UI design are maintained
- ✚ Continuous learning with passion for staying up-to-date with the latest front-end technologies and trends.
